

## A/B Ceiling mounting loudspeaker 2x 6 W / 100V

The A/B Series ceiling mounting loudspeaker is equipped with two independent transformer/speaker combinations. Thus a supply via two separate lines is possible. The loudspeaker is characterised by good music reproduction and clear syllable comprehension.

The loudspeaker with white painted metal cover is suitable for installation in ceilings of all materials. Due to the patented installation system, the loudspeaker can be installed in a few seconds with the help of stainless steel springs.

ceiling mounting loudspeaker  
2x 6 W / 100 V  
Art.-No. 4 796 6

### Equipment features

- Metal version
- Quick mounting via stainless steel springs
- Certified according to EN 54-24

<b>Art.-No.</b>	<b>4 796 6</b>
<b>Mechanical data</b>	
Weight	ca. 1,7 kg
Dimensions	Ø 252 x 105 mm
Housing colour	pure white (RAL 9010)
<b>Electrical data</b>
